

Feng Chia University has a **premium education license** to the Financial Times.

The Financial Times, one of the world's leading business news and information organisations, provides you with access to news and analysis covering global business, finance, politics and much more.

<p>FT.com: An essential source of breaking news, comment, data, analysis and research tools</p>	
<p>Global News – Available by region or topic</p> <p>Columnists - Listed by topic</p> <p>Markets Data - Research a range of asset classes & companies from around the world using data, charts and news.</p> <p>Lex - Opinion on topics in the news and broader impact</p>	<p>Case Studies – Written by top business schools' professors</p> <p>Special Reports – Access reports on over 55 regions or cities and over 70 industries</p> <p>Topic Pages - collection of all news, articles and multimedia files on key people, organisations and places</p>
<p>Digital Learning Tools: The FT offers a full range of digital tools and services help you find relevant, high value intelligence when you need it.</p>	
<p>Alerts – Sign up for company, industry or keyword alerts, including daily industry updates exclusively available to corporate clients</p> <p>Search – Search FT.com's eight year archive or find company information using the search box</p>	<p>Mobile – Access FT content on your smart phone or tablet computer. Check out our new web app, currently optimised for iPhone, iPad and Android</p> <p>ePaper - View all five regional editions of the FT newspaper with 5 years archive</p>
<p>Business Education:</p>	
<p>Business Education - Read about interviews with business school staff, trends, and student experiences</p> <p>Management - News and trends in management and tips on how to succeed in the workplace</p>	<p>Business School Rankings</p> <p>Lexicon - The FT dictionary of financial terms</p> <p>Recruitment - Find out about trends in the job market</p>
<p>Support: http://education.ft.com/services/ Education customers are supported by a team to implement service, answer questions, provide technical help and deliver training.</p>	

And lastly, we have recently launched a new careers section which can be found here - www.ft.com/business-education/mba-careers. Below are some articles which I thought may be of interest to the students.

1. [How to make yourself stand out in a job interview](#)
2. [How can you increase your chances of getting a consulting job?](#)
3. [MBAs need to value local as well as global](#)
4. [How to use LinkedIn for career success](#)
5. [The disconnect of the executive training programme](#)
